Suzi is riding the crest of the “kindie rock” phenomenon with catchy tunes and hip pop-rock sensibilities and is a rising star in the children’s music scene. With awards from Parents’ Choice, the Children’s Music Web, iParenting Media and a 2007 Gold Award from the National Parenting Publications, Suzi is gaining national critical acclaim as well as a loyal following in her home base of New York City. Brooklyn Family notes that “the kiddies are just wild about Suzi,” and the New York Daily News recently featured a profile of her. Suzi’s work as the international face of GYM-BOREE and host of their international dvd series has landed her the 2007 Kids First award as well.
